COMPANY'S PROFILE

Coach A, is a Japanese coaching firm, founded in 1997. We are the largest coaching firm in the world, with more than 130 certified coaches. With a focus on leadership development and organization change, we have coached over 200,000 leaders in more than 1,700 corporations. In order for a corporation to increase its earnings, its leaders must cooperatively create an organization that functions well, with every team accomplishing results. Corporate executives are required to have the skills to create such organizations. COACH A offers systemic coaching, an original type of coaching that begins with executives and makes it possible to develop the abilities of an entire organization of American manufacturers. Number of employees is about 580.
