COMPANY'S MESSAGE

Mr. Tetsuro Aikawa
President Message

"We have started the first delivery of All New Pajero Sport to the customers from beginning of October. Now the momentum will move from production quality and enhance sales and after sales activities."

"Since beginning of the year, I am informing you the 3C principles, Change, Challenge, Communication and it is now time to put into practice. We must

change the Mitsubishi Motors reputation into "high quality product and service brand" for our sustain growth.

"Let's Change"
